

Split-Fit® Columns... Making Split Column Reassembly Simple.

*Eliminate
Your Splitting
Headaches with
Split-Fit®*

Traditional split columns can be difficult to reassemble on-site and require multiple leveling and alignment adjustments to get the two halves realigned. Column & Post cracks the code on split columns with our patented Split-Fit® Columns. Our unique cast indexing keys make aligning the column halves a simple process, saving you valuable time — virtually eliminating the frustration of split column installation.

Features and Benefits:

- Cast indexing keys make aligning the column halves stress free.
- No slipping or sliding at glue joint.
- You can use fast setting epoxy to reduce installation time.
- Fully split columns arrive ready to install.
- Precision Diamond Cut line is easy to finish.
- Eliminates the hassle of finishing the splitting at the job site.
- Saves valuable finishing time.
- No screws or tabs required.
- Tongue & Groove fit assures snug installation.
- Three dimensional alignment guaranteed.
- Keys restrict lateral & vertical play. Insures an easy to finish seam.
- Custom Manufactured to your specification.
- (4) Tapcon® screws and (2) base cleats included.
- Patent # US 8,234,837 B2
