

SLIDING BARN DOOR HARDWARE

PRODUCT SPECIFICATIONS

- Hardware accommodates both 1-3/8" & 1-3/4" thick doors, weighing up to 250 lbs.
- Kits available in both 96" & 78-3/4" lengths. Includes door straps, all mounting hardware, and floor guides.
- 96" kits - For openings 34" - 44" .
- 78-3/4" kits - Cost effective option for doors which are 3'0" & narrower.
- Stocked in three factory finishes: Matte Black, Bronze, and Satin Nickel.
- Unique barn door style hardware enables door to slide parallel to wall.
- Use for closet, room divider or passage door applications.
- Available accessories include: replacement hardware components, privacy locks, and track connectors for bi-parting door applications.

Straight Strap

The Straight Strap Barn Door system features a classic face mount flat strap to hang wood doors on a traditional rail track. Large wheels provide excellent strength and durability as-well-as smoothness of travel along the rail.
(Available in 96" or 78-3/4" lengths.)

Top of Door Strap

Top of Door Strap features a top mounted strap to hang wood doors on a traditional rail track. Ideal for door applications where you want a clean appearance, these wheels provide extremely smooth door operation along the rail.
(Available in 96" or 78-3/4" lengths.)

Bent Strap

Bent Strap features a modern face mount bent strap to hang wood doors on a traditional rail track. A slight variation of the Straight Strap, the bending of this strap appears to enclose the wheel and offers the same quality of travel along the rail.
(Available in 96" or 78-3/4" lengths.)
